Dividends

7. The holders of each series of Preferred Shares shall be entitled to receive cumulative dividends as and when declared by the board of directors of the Corporation at a rate per share per annum as determined by the board of directors of the Corporation, acting in good faith, provided, such rate per annum does not exceed by more than 2% the yield to maturity of an unsecured bond with a Comparable Credit Rating issued by a Comparable Issuer on the Determination Date or such other date as close as practicable to such date, such bond having the same or as close as possible term to maturity as is equal to the period until the series of Preferred Shares are first redeemable in whole or in part. Dividends shall be payable at such places, at such times and with such frequency as may be determined by the board of directors of the Corporation. For purposes hereof:

“Comparable Issuer” refers to an issuer selected by the board of directors of the Corporation as being comparable to the Corporation in terms of industry focus and whose outstanding unsecured long-term debt securities have a Comparable Credit Rating.

“Comparable Credit Rating” means a credit rating that is the same or that is the closest as possible to the credit rating of the outstanding long-term debt securities of the Corporation.

“Determination Date” means the date the rights, privileges, restrictions and conditions attaching to the shares of such series of Preferred Shares are determined.

Participation

8. If any cumulative dividends or amounts payable on a return of capital in the event of the liquidation, dissolution or winding up of the Corporation in respect of a series of Preferred Shares are not paid in full, the Preferred Shares of all series shall participate rateably in: (a) the amounts that would be payable on such shares if all such dividends were declared and paid in full; and (b) the amounts that would be payable in respect of the return of capital as if all such amounts were paid in full; provided that if there are insufficient assets to satisfy all such claims, the claims of the holders of the Preferred Shares with respect to repayment of capital shall first be paid and satisfied and any assets remaining shall be applied towards the payment and satisfaction of claims in respect of dividends. After payment to the holders of any series of Preferred Shares of the amount so payable to such holders as herein provided, the holders of such series of Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation in the event of the liquidation, dissolution or winding up of the Corporation.

Conversion Rights

9. No series of Preferred Shares shall be convertible into any other class of shares of the Corporation.

Redemption

10. Each series of Preferred Shares shall be redeemable by the Corporation on such terms as determined by the board of directors of the Corporation.

Voting Rights

11. Holders of any series of Preferred Shares shall not be entitled to receive notice of, to attend or to vote at any shareholders' meeting of the Corporation except: (a) as provided by law; or (b) upon an event of default by the Corporation where the board of directors of the Corporation has not declared the whole dividend on the particular series of Preferred Shares in any period and in that event, such holders shall be entitled to receive notice of, to attend and to vote at the shareholders' meetings (with one vote for each share held), which voting rights shall cease upon payment by the Corporation of the dividend to which holders are entitled.

Variation of Rights

12. The provisions of the Preferred Shares and any series thereof may be amended or repealed at any time with such approval as may be required by law.

Limitation on Number of Preferred Shares to be Issued

13. Whenever a share of any series of Preferred Shares is to be issued, the aggregate number of Preferred Shares of such series to be issued shall not exceed that number that is equal to: (A) (i) 25% of the Common Share Market Capitalization as of the Measurement Time, minus (ii) the Preferred Share Market Capitalization as of the Measurement Time, all divided by (B) the issuance price per share of the series of Preferred Shares to be issued.

“Common Share Market Capitalization” means the aggregate value of the Corporation's Common Shares and Non-Voting Common Shares issued and outstanding as of the Measurement Time calculated based on the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange (or any successor exchange thereto on which the Common Shares may then be traded) for the five (5) trading days immediately preceding the Measurement Time.

“Preferred Share Market Capitalization” means the aggregate value of all Preferred Shares of all series issued and outstanding as of the Measurement Time calculated based on the issuance price per share of each such Preferred Share.

“Measurement Time” means 5:00 p.m. (Toronto time) on the date on which the board of directors of the Corporation determines the issuance price per share of the series of Preferred Shares to be issued.

The holders of the Special Shares shall not be entitled to any dividend other than or in excess of the non-cumulative cash dividends provided for above. If within three months after the expiration of any fiscal year of the Corporation the board of directors of the Corporation in its discretion

shall not have declared the said fixed preferential dividend or any part thereof on the Special Shares for such fiscal year then the rights of the holders of the Special Shares to such dividend or any undeclared part thereof shall be forever extinguished. For any period which is less than a full year with respect to any Special Share which is issued, redeemed or repurchased during such year, dividends shall be deemed to accrue on a daily basis and shall be equal to the product of $A \times B \times C$, where: A = the Redemption Amount; B = the Prime Rate as of the Period End Date; and C = a fraction of which the numerator is the number of days in such period (including the day at the beginning of such period and excluding the day at the end of such period (the “**Period End Date**”)) and of which the denominator is the number of days in such year (including the day at the beginning thereof and excluding the Dividend Payment Date at the end thereof). If, by reason of insolvency provisions of applicable law or for any other reason, on any Dividend Payment Date the dividends declared as of such date are not paid in full on all of the Special Shares then outstanding, such unpaid dividends shall be paid on a subsequent date or dates determined by the board of directors of the Corporation. The board of directors of the Corporation may, in its sole discretion, declare dividends on the Special Shares to the exclusion of any other class of shares of the Corporation.

Liquidation, Dissolution or Winding Up

3. In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Special Shares will be entitled to receive, before any amount shall be paid by the Corporation, or any assets of the Corporation shall be distributed, to the holders of Common Shares of the Corporation, the Non-Voting Common Shares of the Corporation, the Arrangement Common Shares of the Corporation, or the Preferred Shares of the Corporation, an amount equal to the Redemption Amount in respect of each Special Share held by them, respectively, to the extent of the amount or value of the assets of the Corporation available under applicable law for payment to holders of shares of the Corporation upon liquidation, dissolution or winding up of the Corporation. After payment to the holders of the Special Shares of the amount provided above in this paragraph 3 such holders will not be entitled to share in any further distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs.

Redemption by Corporation

4. The Corporation may redeem at any time the whole, or from time to time any part, of the then issued and outstanding Special Shares from the holders thereof on payment (which may, at the discretion of the Corporation, be made through the issuance of a promissory note or promissory notes) of: (a) an amount for each Special Share to be redeemed equal to the aggregate fair market value of all of the issued and outstanding MLF Common Shares as of immediately before the completion of the transactions contemplated by Section 2.03(c) of the Plan of Arrangement multiplied by the Butterfly Proportion and then divided by the number of Special Shares issued pursuant to Section 2.03(c) of the Plan of Arrangement; and (b) all declared and unpaid dividends on such Special Share (collectively, the “**Redemption Amount**”).

Retraction by Holder

5. Subject to applicable law, a holder of Special Shares will be entitled to require the Corporation to redeem, at any time, all or any of the Special Shares held by such holder, by tendering to the Corporation at its registered office a share certificate or certificates representing the Special Shares that the holder wishes to have the Corporation redeem together with a written request specifying the number of Special Shares to be redeemed and the business day (referred to herein as the “**Retraction Date**”) on which the holder wishes to have the Corporation redeem the Special Shares. Following receipt of such share certificate or certificates and written request, the Corporation will, on the Retraction Date (or as soon as practicable thereafter), redeem such Special Shares by paying to the holder the Redemption Amount for each Special Share so redeemed.

Cancellation

6. Any Special Shares that are redeemed by the Corporation as aforesaid will for all purposes be considered to have been redeemed on, and will be cancelled concurrently with, the payment of the Redemption Amount by the Corporation to or for the benefit of the holder thereof.

No Dilution

7. For so long as any Special Shares are outstanding, the Corporation will not: (a) declare or pay any dividend on the common shares of the Corporation or the Arrangement Common Shares of the Corporation; or (b) redeem, purchase for cancellation or otherwise acquire any common shares of the Corporation or Arrangement Common Shares of the Corporation, if, in the opinion of the board of directors, the payment of such dividend or the consideration payable in connection with such redemption, purchase or other acquisition, as the case may be, would reduce the net realizable value of the assets of the Corporation (after taking into account all liabilities of the Corporation) to an amount that is less than the product of the Redemption Amount of each Special Share multiplied by the number of Special Shares outstanding immediately before the time of payment of such dividend or consideration, as the case may be.

Voting Rights

8. Subject to applicable law, holders of Special Shares will not be entitled to receive notice of or to attend any meeting of the shareholders of the Corporation and will not be entitled to vote at any such meeting.

3. Except as hereinafter specifically provided, as required by the *Canada Business Corporations Act*, by law or as may be required by an order of a court of competent jurisdiction or in accordance with any voting rights which may be attached to any series of Preferred Shares, the holders of Preferred Shares shall not be entitled as such to receive notice of, or attend, any meeting of shareholders of the Corporation and shall not be entitled to vote at any meeting. At such adjourned meeting the holders of Preferred Shares present in person or represented by proxy shall constitute a quorum and may transact the business for which the meeting was originally called and a resolution passed thereat by the affirmative vote of not less than 66⅔% of the votes cast by the holders of Preferred Shares at such meeting shall constitute the approval of the holders of Preferred Shares. 4.8 Votes to Govern - At all meetings of the board any question shall be decided by a majority of the votes cast on the question and in the case of an equality of votes the chairman of the meeting shall not be entitled to a second or casting vote. Any question at a meeting of the board shall be decided by a show of hands unless a ballot is required or demanded.

4.9 Conflict of Interest - A director or an officer of the Corporation who is a party to or is a director or officer of or has a material interest in any person who is a party to a material contract or material transaction or proposed material contract or proposed material transaction with the Corporation shall disclose the nature and extent of his interest in writing to the Corporation or request that such information be entered in minutes of meetings of the board in a manner specified by the board and such officer or director shall otherwise comply with the provisions of the Act. 6 - OFFICERS

6.1 Appointment of Officers - Subject to Sections 6.2 and 6.3 the board may from time to time appoint such officers as the board may determine. - (c) The Corporation may not indemnify an individual under paragraph (a) unless the individual:
 - (i) acted honestly and in good faith with a view to the best interests of the Corporation or other entity for which the individual acted as a director or officer or in a similar capacity at the Corporation's request, as the case may be; and
 - (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his or her conduct was lawful.
- (d) The Corporation may also seek the approval of a court to indemnify an individual referred to in paragraph (a), or advance monies under paragraph (b) in respect of an action by or on behalf of the Corporation or other entity to procure a judgment in its favour, to which such individual is made a party because of the individual's association with the Corporation or other entity as described in paragraph (a) against all costs, charges and expenses reasonably incurred by the individual in connection with such action, if the individual fulfils the conditions set out in paragraph (c).
- (e) Despite paragraph (a), an individual referred to in that paragraph is entitled to indemnity from the Corporation in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defence of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the Corporation or other entity as described in paragraph (a), if the individual seeking indemnity:
 - (i) was not adjudged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done; and
 - (ii) fulfils the conditions set out in paragraph (c).

- (a) in the individual's capacity as a director or officer or former director or officer of the Corporation; or
- (b) in the individual's capacity as a director or officer or former director or officer, or similar capacity, of another entity, if the individual acts or acted in that capacity at the Corporation's request.

7.3 Indemnification Not Exclusive - Each of the provisions of this Article 7 shall be in addition to and not in substitution for or derogation from any rights to which any person referred to herein may otherwise be entitled.

8 - MEETINGS OF SHAREHOLDERS

8.1 Annual Meetings - Subject to the Act, the annual meeting of shareholders shall be held on such day and at such time in each year as the board may from time to time determine, for the purpose of considering the financial statements and reports required by the Act to be placed before the annual meeting, electing directors, appointing auditors and for the transaction of such other business as may properly be brought before the meeting.

8.2 Special Meetings - Subject to the Act, the board may at any time call a special meeting of shareholders to be held on such day and at such time as the board may determine for the purposes specified by the board and for the transaction of such other business as may be properly brought before the meeting.

8.3 Notice of Meeting - Notice of the time and place for holding a meeting of shareholders shall be given in the manner provided in Section 11.1 of this by-law not more than 50 days and not fewer than 21 days before the date of the meeting (or within such other time limits as may be prescribed by any other applicable statute or rule or regulation of a stock exchange) to each shareholder entitled to vote at the meeting, to each director and to the auditor of the Corporation.

8.4 Place of Meetings - Subject to the Act, meetings of shareholders shall be held at such place within Canada as the directors shall determine or at any place outside Canada that may be specified in the articles.

8.5 Participation in Meeting by Electronic Means - Subject to the Act, any person entitled to attend a meeting of shareholders may participate in the meeting, by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, if the Corporation makes such a communication facility available. A person participating in a meeting by such means is deemed for the purposes of the Act to be present at the meeting.

8.6 Chairman and Secretary - The chairman of the board or, in the chairman's absence, the vice chairman, if any, or in the vice chairman's absence, the chief executive officer, or in the chief executive officer's absence, the president or in the president's absence, a vice-president shall be chairman of any meeting of shareholders and, if none of the said officers be present within 15 minutes after the time appointed for holding the meeting, the persons present and entitled to vote shall choose a chairman from amongst themselves. The secretary of the Corporation shall act as secretary at any meeting of shareholders or, if the secretary of the Corporation be absent, the chairman of the meeting shall appoint some person, who need not be a shareholder, to act as secretary of the meeting. If desired, one or more scrutineers, who need not be shareholders, may be appointed by the chairman with the consent of the meeting.

8.7 Persons Entitled to be Present - The only persons entitled to be present at a meeting of shareholders shall be those entitled to vote thereat, the directors and auditors of the Corporation and others who, although not entitled to vote, are entitled or required under any provision of the Act or the articles or by-laws to be present at the meeting. Any other person may be admitted only on the invitation of the chairman of the meeting or with the consent of the meeting.

8.8 Quorum - At any meeting of shareholders, a quorum shall be at least two (2) persons present in person or represented by proxy holding or representing by proxy not less than one-third (1/3) of the shares entitled to be voted thereat. A quorum need not be present throughout the meeting provided a quorum is present at the opening of the meeting.

8.9 Proxies and Representatives - A shareholder entitled to vote at a meeting of shareholders may by means of a proxy appoint a proxyholder or one or more alternate proxyholders, who are not required to be shareholders, to attend and act at the meeting in the manner and to the extent authorized by the proxy and with the power conferred by the proxy.

8.10 Time for Deposit of Proxies - The board may specify in a notice calling a meeting of shareholders a time, preceding the time of such meeting by not more than 48 hours, exclusive of non-business days, before which time proxies to be used at such meeting must be deposited. A proxy shall be acted upon only if, prior to the time so

specified, it shall have been deposited with the Corporation or an agent thereof specified in such notice or, if no such time is specified in such notice, it shall have been received by the secretary of the Corporation or by the chairman of the meeting or any adjournment thereof prior to the time of voting.

8.11 Voting - Subject to the Act, every matter at a meeting of shareholders shall be decided by a show of hands unless a ballot is required by the chairman or demanded by any person entitled to vote. Upon a show of hands every person entitled to vote shall have one vote. After a vote by a show of hands has been taken the chairman may still require or any person entitled to vote may still demand a ballot thereon. Whenever a vote by show of hands has been taken, unless a ballot is required or demanded, a declaration by the chairman of the meeting that the vote upon the matter has been carried or carried by a particular majority or not carried, and an entry to that effect in the minutes of the meeting, shall be, in the absence of evidence to the contrary, proof of the fact without proof of the number or proportion of the votes recorded in favour of or against any resolution. Subject to the Act, any vote may be held entirely by means of a telephonic, electronic or other communication facility if the Corporation makes available such a communication facility. Subject to the Act, any person participating in a meeting of shareholders electronically and entitled to vote at the meeting may vote by means of the telephonic, electronic or other communication facility that the Corporation has made available for that purpose.

8.12 Casting Vote - In case of an equality of votes at any meeting of shareholders either upon a show of hands or upon a ballot, the chairman of the meeting shall not be entitled to a second or casting vote.

8.13 Ballots - On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken thereon, the chairman may require, or any shareholder or proxyholder entitled to vote at the meeting may demand, a ballot. A ballot so required or demanded shall be taken in such manner as the chairman shall direct. A requirement or demand for a ballot may be withdrawn at any time prior to the taking of the ballot. If a ballot is taken each person present shall be entitled, in respect of the shares which each person is entitled to vote at the meeting upon the question, to that number of votes provided by the Act or the articles, and the result of the ballot so taken shall be the decision of the shareholders upon the said question.

9 - SHARES

9.1 Securities Records - The Corporation shall maintain a register of shares and other securities in which it records the shares and other securities issued by it in registered form, showing with respect to each class or series of shares and other securities:

- (a) the names, alphabetically arranged, and the latest known address of each person who is or has been a holder;
- (b) the number of shares or other securities held by each holder; and
- (c) the date and particulars of the issue and transfer of each share or other security.

9.2 Transfer Agent and Registrar - The board may appoint, remove or replace a transfer agent or a registrar and one or more branch transfer agents or registrars to maintain a central securities register and branch securities registers.

9.3 Registered Owner of Shares - Subject to the provisions of the Act, the Corporation may treat the registered owner of a share as the person exclusively entitled to vote, to receive notices, to receive any dividend or other payments in respect thereof and otherwise to exercise all the rights and powers of an owner of a share.

9.4 Share Certificates - Unless otherwise ordered by the board, any share certificates shall be signed by any director or officer of the Corporation and need not be under corporate seal. Signatures may be printed or otherwise mechanically reproduced on the share certificates and every such signature shall for all purposes be deemed to be the signature of the officer whose signature it reproduces and shall be binding upon the Corporation. Share certificates representing shares in respect of which a transfer agent has been appointed shall be countersigned manually by or on behalf of such transfer agent. If a share certificate contains a printed or mechanically reproduced signature of a person, the Corporation may issue the share certificate, notwithstanding that the person has ceased to be a director or an officer of the Corporation, and the share certificate is as valid as if the person were a director or an officer at the date of its issue.

10 - DIVIDENDS AND RIGHTS

10.1 Dividends - Subject to the provisions of the Act, the board may from time to time declare dividends payable to the shareholders according to their respective rights and interests in the Corporation. Dividends may be paid in money or property or by issuing fully paid shares of the Corporation.

10.2 Record Date for Dividends - The board may fix in advance a date, preceding the date for the payment of any dividend by not more than 50 days, for the determination of the persons entitled to receive payment of such dividend. Notice of such date shall be given not less than seven business days prior to such date by press release and by written notice to each stock exchange on which the shares of the Corporation are listed for trading.

10.3 Non-receipt of Payment - In the event of non-receipt or loss of any dividend payment by the person to whom it is sent, the Corporation shall issue to such person a replacement payment for a like amount on such terms as to indemnity, reimbursement of expenses and evidence of non-receipt and of title as the board may from time to time prescribe, whether generally or in any particular case.

10.4 Unclaimed Dividends - Any dividend unclaimed after a period of two years from the date on which the same has been declared to be payable shall be forfeited and shall revert to the Corporation.

11 - MISCELLANEOUS

11.1 Method of Giving Notices

- (a) Any notice or other document to be given or sent by the Corporation to a shareholder, director or officer or to the auditor of the Corporation may be given or sent by prepaid mail addressed to, may be delivered personally to, or may be sent by means of fax, e-mail or other form of electronic transmission to, the person to whom it is to be given or sent at his latest address as shown in the records of the Corporation or its transfer agent or in any notice filed in accordance with the provisions of the Act.
- (b) To the extent permitted by law, in addition to the delivery methods set out in (a) above, any notice or other document to be given or sent by the Corporation to a shareholder may be sent by providing or posting the notice or other document on or making it available through a generally accessible electronic source and providing notice of the availability and location of the notice or other document to the shareholder via any of the methods specified in (a) above, including by mail, personal delivery, fax, e-mail or other form of electronic transmission. A notice or other document sent to a shareholder by posting it on or making it available through a generally accessible electronic source shall be deemed to be received on the day such person is sent notice of the availability and location of such notice or other document.

11.2 Waiver of Notice - Any shareholder (or such shareholder's duly appointed proxyholder), director, officer, auditor or member of a committee of the board may at any time waive the sending of any notice, or waive or abridge the time for any notice, required to be given to such person under any provision of the Act, the articles, the by-laws or otherwise and such waiver or abridgement shall cure any default in the giving or in the time of such notice, as the case may be. Any such waiver or abridgement shall be in writing except a waiver of notice of a meeting of shareholders or of the board which may be given in any manner. Attendance of a director at a meeting of directors or of a shareholder or any other person entitled to attend a meeting of shareholders is a waiver of notice of the meeting except where such director, shareholder or other person, as the case may be, attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

11.3 Omissions and Errors - The accidental omission to give notice to any shareholder, director or officer or to the auditor or the non-receipt of any notice or any error in a notice not affecting the substance thereof shall not invalidate any action taken at any meeting called by such notice or otherwise founded thereon. Any notice with respect to any shares registered in more than one name may, if more than one address appears on the books of the Corporation in respect of such joint holding, be given the joint shareholders at any such address.

11.4 Invalidity - The invalidity or unenforceability of any provision of this by-law shall not affect the validity or enforceability of the remaining provisions of this by-law.

v. Exhibit V

A. Subsequent Amendment to the
Articles of Maple Leaf Foods Inc.

A. COMMON SHARES

The Common Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Dividends

1. The Common Shares and the Non-Voting Common Shares of the Corporation shall participate equally as to dividends. All dividends which the board of directors of the Corporation shall determine to declare and pay, shall be declared and paid in equal amounts per share and at the same time on all Common Shares and Non-Voting Common Shares issued and outstanding without preference or distinction.

Voting Rights

2. The holders of the Common Shares shall be entitled to receive notice of, to attend, and to vote at all meetings of shareholders of the Corporation. At such meetings, the holders of the Common Shares shall be entitled to one vote for each Common Share held.

Parity on Liquidation and Dissolution

3. In the event of a liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, all of the property and assets of the Corporation available for distribution to the holders of the Common Shares and the holders of the Non-Voting Common Shares shall be paid or distributed equally, share for share, to the holders of the Common Shares and the holders of the Non-Voting Common Shares, respectively, without preference or distinction.

Equality of Shares

4. Except as provided for herein, each Common Share and each Non-Voting Common Share shall have the same rights and attributes and be the same in all respects. Upon any consolidation, subdivision, exchange, reclassification or cancellation of the Non-Voting Common Shares, an equivalent consolidation, subdivision, exchange, reclassification or cancellation shall be made to the Common Shares to preserve the equivalence of such classes of shares provided for herein.

B. NON-VOTING COMMON SHARES

The Non-Voting Common Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Dividends

1. The Non-Voting Common Shares and the Common Shares of the Corporation shall participate equally as to dividends. All dividends which the board of directors of the Corporation shall determine to declare and pay, shall be declared and paid in equal amounts per share and at the same time on all Non-Voting Common Shares and Common Shares issued and outstanding without preference or distinction.

Non-Voting Rights

2. Except as required by law, the holders of the Non-Voting Common Shares as a class shall not be entitled as such to vote at any meeting of the shareholders of the Corporation. The holders of the Non-Voting Common Shares shall be entitled to receive notice of and to attend meetings of holders of voting shares of the Corporation except meetings at which only holders of a specified class of shares are entitled to vote. The holders of Non-Voting Common Shares shall not be entitled to vote separately as a class, and shall not be entitled to dissent, upon a proposal to amend the articles to: (a) increase or decrease any maximum number of authorized Non-Voting Common Shares resulting from a subdivision or consolidation respectively; (b) increase any maximum number of authorized shares of a class or series of a class having rights or privileges equal or superior to the Non-Voting Common Shares; (c) effect an exchange, reclassification or cancellation of the Non-Voting Common Shares; or (d) create a new class or series of a class of shares equal or superior to the Non-Voting Common Shares, unless the holders of Non-Voting Common Shares are being affected by such amendment in a manner differently from the holders of Common Shares.

Parity on Liquidation and Dissolution

3. In the event of a liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, all of the property and assets of the Corporation available for distribution to the holders of the Non-Voting Common Shares and the holders of the Common Shares shall be paid or distributed equally, share for share, to the holders of the Non-Voting Common Shares and the holders of the Common Shares, respectively, without preference or distinction.

Equality of Shares

4. Except as provided for herein, each Non-Voting Common Share and each Common Share shall have the same rights and attributes and be the same in all respects. Upon any consolidation, subdivision, exchange, reclassification or cancellation of the Common Shares, an equivalent consolidation, subdivision, exchange, reclassification or cancellation shall be made to the Non-Voting Common Shares to preserve the equivalence of such classes of shares provided for herein.

Conversion of Non-Voting Common Shares into Common Shares

5. The Non-Voting Common Shares, or any of them, may, upon and subject to the terms and conditions hereinafter set forth, be converted at any time by the holder or holders thereof into fully paid Common Shares of the Corporation as the same shall be constituted at the time of conversion on the basis of one (1) Common Share as presently constituted for one (1) Non-Voting Common Share; provided, however, that in the event of liquidation, dissolution or winding-up of the Corporation, such right of conversion shall cease and expire at noon on the business day next preceding the date of such liquidation, dissolution or winding-up. A holder of Non-Voting Common Shares desiring to convert such shares into Common Shares in accordance with the foregoing shall surrender the certificate or certificates representing the Non-Voting Common Shares to be converted to the registered office of the Corporation, accompanied by a request in writing for such conversion with the holder's signature thereon verified, and any other documentation as the directors of the Corporation may from time to time require, and thereupon there shall be issued to such holder by the Corporation, as fully paid and nonassessable, the number of Common Shares to which the holder is entitled to upon such conversion. Any such conversion of Non-Voting Common Shares into Common Shares shall be deemed to occur on the date such certificate, request in writing and other documentation is delivered to the registered office of the Corporation. The holder shall pay any governmental or other tax imposed on or in respect of such conversion. If only a part of the Non-Voting Common Shares represented by any certificate is to be converted, a new certificate for the balance of the Non-Voting Common Shares held by such shareholder shall be issued by the Corporation.

Automatic Conversion of Non-Voting Common Shares Upon Transfer

6. If, at any time, a holder of Non-Voting Common Shares transfers all or a portion of the Non-Voting Common Shares held by such holder, the shares being transferred shall be automatically converted upon such transfer into fully paid Common Shares of the Corporation on the basis of one Common Share for each Non-Voting Common Share simultaneously upon the completion of such transfer, without any further action by the Corporation or any other person, so that the transferee will be a holder of Common Shares in equal number to the Non-Voting Common Shares transferred by the transferor. Following the transfer, the transferee shall surrender to the registered office of the Corporation the certificate or certificates representing the Non-Voting Common Shares transferred by the transferor, accompanied by written evidence of the transfer, as the directors of the Corporation may from time to time require. Upon such surrender, a new share certificate representing an equal number of Common Shares shall be issued to the transferee. If only a part of the Non-Voting Common Shares represented by a certificate were transferred, a new share certificate representing the number of Common Shares received by the transferee shall be issued by the Corporation. In addition, the Corporation shall issue to the transferor a new share certificate representing the portion of Non-Voting Common Shares evidenced by the original certificate which were not transferred by the transferor.

C. PREFERRED SHARES

The Preferred Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Directors' Authority to Issue in One or More Series

1. The directors of the Corporation may issue the Preferred Shares at any time and from time to time in one or more series.

Terms of Each Series

2. Before the first shares of a particular series are issued, the board of directors of the Corporation shall, subject to the limitation on the number of Preferred Shares to be issued as set forth below, fix the number of shares in such series and shall determine, subject to any limitations set forth in these provisions as more fully set forth below, the designation, rights, privileges, restrictions and conditions attaching to the shares of such series including, without limitation, the rate and amount of any dividends to be declared, the method of calculation of such dividends and whether such rate, amount or method of calculation shall be subject to change or adjustment in the future, the currency or currencies of payment, the date or dates and place or places of payment thereof and the date or dates from which such dividends shall accrue, the terms of redemption, including the redemption price and other terms and conditions of redemption, the rights of retraction (if any) and the prices and other terms and conditions of any rights of retraction and whether any additional rights of retraction may be provided to such holders in the future, the voting rights and the conversion or exchange rights (if any) and any sinking fund, purchase fund or other provisions attaching thereto.

First Shares of Each Series

3. Before the issue of the first shares of a series, the board of directors of the Corporation shall send to the Director (as defined in the *Canada Business Corporations Act*) articles of amendment containing a description of such series including the designations, rights, privileges, restrictions and conditions determined by the directors.

Ranking of Each Series of Preferred Shares

4. No rights, privileges, restrictions or conditions attaching to a series of Preferred Shares shall confer upon a series a priority over any other series of Preferred Shares in respect of redemption, the payment of dividends, the return of capital or the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary. The Preferred

Shares of each series shall rank on a parity with the Preferred Shares of every other series with respect to priority in redemption, the payment of dividends, the return of capital and in the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Priority

5. Each series of Preferred Shares shall have priority over the Common Shares, the Non-Voting Common Shares and any other class of shares of the Corporation ranking junior to the Preferred Shares, and each series of Preferred Shares shall rank on parity with every other series of Preferred Shares, in each case with respect to redemption, the payment of dividends, the return of capital and the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Other Preferences

6. The Preferred Shares of any series may also be given such other preferences, not inconsistent with the provisions hereof, over the Common Shares, the Non-Voting Common Shares and over any other class of shares of the Corporation ranking junior to the Preferred Shares as may be determined by the board of directors of the Corporation.

Dividends

7. The holders of each series of Preferred Shares shall be entitled to receive cumulative dividends as and when declared by the board of directors of the Corporation at a rate per share per annum as determined by the board of directors of the Corporation, acting in good faith, provided, such rate per annum does not exceed by more than 2% the yield to maturity of an unsecured bond with a Comparable Credit Rating issued by a Comparable Issuer on the Determination Date or such other date as close as practicable to such date, such bond having the same or as close as possible term to maturity as is equal to the period until the series of Preferred Shares are first redeemable in whole or in part. Dividends shall be payable at such places, at such times and with such frequency as may be determined by the board of directors of the Corporation. For purposes hereof:

“**Comparable Issuer**” refers to an issuer selected by the board of directors of the Corporation as being comparable to the Corporation in terms of industry focus and whose outstanding unsecured long-term debt securities have a Comparable Credit Rating.

“**Comparable Credit Rating**” means a credit rating that is the same or that is the closest as possible to the credit rating of the outstanding long-term debt securities of the Corporation.

“**Determination Date**” means the date the rights, privileges, restrictions and conditions attaching to the shares of such series of Preferred Shares are determined.

Participation

8. If any cumulative dividends or amounts payable on a return of capital in the event of the liquidation, dissolution or winding up of the Corporation in respect of a series of Preferred Shares are not paid in full, the Preferred Shares of all series shall participate rateably in: (a) the amounts that would be payable on such shares if all such dividends were declared and paid in full; and (b) the amounts that would be payable in respect of the return of capital as if all such amounts were paid in full; provided that if there are insufficient assets to satisfy all such claims, the claims of the holders of the Preferred Shares with respect to repayment of capital shall first be paid and satisfied and any assets remaining shall be applied towards the payment and satisfaction of claims in respect of dividends. After payment to the holders of any series of Preferred Shares of the amount so payable to such holders as herein provided, the holders of such series of Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation in the event of the liquidation, dissolution or winding up of the Corporation.

Conversion Rights

9. No series of Preferred Shares shall be convertible into any other class of shares of the Corporation.

Redemption

10. Each series of Preferred Shares shall be redeemable by the Corporation on such terms as determined by the board of directors of the Corporation.

Voting Rights

11. Holders of any series of Preferred Shares shall not be entitled to receive notice of, to attend or to vote at any shareholders' meeting of the Corporation except: (a) as provided by law; or (b) upon an event of default by the Corporation where the board of directors of the Corporation has not declared the whole dividend on the particular series of Preferred Shares in any period and in that event, such holders shall be entitled to receive notice of, to attend and to vote at the shareholders' meetings (with one vote for each share held), which voting rights shall cease upon payment by the Corporation of the dividend to which holders are entitled.

Variation of Rights

12. The provisions of the Preferred Shares and any series thereof may be amended or repealed at any time with such approval as may be required by law.

Limitation on Number of Preferred Shares to be Issued

13. Whenever a share of any series of Preferred Shares is to be issued, the aggregate number of Preferred Shares of such series to be issued shall not exceed that number that is equal to: (A) (i) 25% of the Common Share Market Capitalization as of the Measurement Time, minus (ii) the Preferred Share Market Capitalization as of the Measurement Time, all divided by (B) the issuance price per share of the series of Preferred Shares to be issued.

"Common Share Market Capitalization" means the aggregate value of the Corporation's Common Shares and Non-Voting Common Shares issued and outstanding as of the Measurement Time calculated based on the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange (or any successor exchange thereto on which the Common Shares may then be traded) for the five (5) trading days immediately preceding the Measurement Time.

"Preferred Share Market Capitalization" means the aggregate value of all Preferred Shares of all series issued and outstanding as of the Measurement Time calculated based on the issuance price per share of each such Preferred Share.

"Measurement Time" means 5:00 p.m. (Toronto time) on the date on which the board of directors of the Corporation determines the issuance price per share of the series of Preferred Shares to be issued.

Before the issue of the first shares of a series, the board of directors of the Corporation shall send to the Director (as defined in the *Canada Business Corporations Act*) articles of amendment containing a description of such series including the designations, rights, privileges, restrictions and conditions determined by the directors.

Ranking of Each Series of Preferred Shares

4. No rights, privileges, restrictions or conditions attaching to a series of Preferred Shares shall confer upon a series a priority over any other series of Preferred Shares in respect of redemption, the payment of dividends, the return of capital or the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary. The Preferred Shares of each series shall rank on a parity with the Preferred Shares of every other series with respect to priority in redemption, the payment of dividends, the return of capital and in the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Priority

5. Each series of Preferred Shares shall have priority over the Common Shares, the Non-Voting Common Shares and any other class of shares of the Corporation ranking junior to the Preferred Shares, and each series of Preferred Shares shall rank on parity with every other series of Preferred Shares, in each case with respect to redemption, the payment of dividends, the return of capital and the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Other Preferences

6. The Preferred Shares of any series may also be given such other preferences, not inconsistent with the provisions hereof, over the Common Shares, the Non-Voting Common Shares and over any other class of shares of the Corporation ranking junior to the Preferred Shares as may be determined by the board of directors of the Corporation.

Dividends

7. The holders of each series of Preferred Shares shall be entitled to receive cumulative dividends as and when declared by the board of directors of the Corporation at a rate per share per annum as determined by the board of directors of the Corporation, acting in good faith, provided, such rate per annum does not

exceed by more than 2% the yield to maturity of an unsecured bond with a Comparable Credit Rating issued by a Comparable Issuer on the Determination Date or such other date as close as practicable to such date, such bond having the same or as close as possible term to maturity as is equal to the period until the series of Preferred Shares are first redeemable in whole or in part. Dividends shall be payable at such places, at such times and with such frequency as may be determined by the board of directors of the Corporation. For purposes hereof:

"Comparable Credit Rating" means a credit rating that is the same or that is the closest as possible to the credit rating of the outstanding long-term debt securities of the Corporation.

"Determination Date" means the date the rights, privileges, restrictions and conditions attaching to the shares of such series of Preferred Shares are determined.

Participation

8. If any cumulative dividends or amounts payable on a return of capital in the event of the liquidation, dissolution or winding up of the Corporation in respect of a series of Preferred Shares are not paid in full, the Preferred Shares of all series shall participate rateably in: (a) the amounts that would be payable on such shares if all such dividends were declared and paid in full; and (b) the amounts that would be payable in respect of the return of capital as if all such amounts were paid in full; provided that if there are insufficient assets to satisfy all such claims, the claims of the holders of the Preferred Shares with respect to repayment of capital shall first be paid and satisfied and any assets remaining shall be applied towards the payment and satisfaction of claims in respect of dividends. After payment to the holders of any series of Preferred Shares of the amount so payable to such holders as herein provided, the holders of such series of Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation in the event of the liquidation, dissolution or winding up of the Corporation.

Conversion Rights

9. No series of Preferred Shares shall be convertible into any other class of shares of the Corporation.

Redemption

10. Each series of Preferred Shares shall be redeemable by the Corporation on such terms as determined by the board of directors of the Corporation.

Voting Rights

11. Holders of any series of Preferred Shares shall not be entitled to receive notice of, to attend or to vote at any shareholders' meeting of the Corporation except: (a) as provided by law; or (b) upon an event of default by the Corporation where the board of directors of the Corporation has not declared the whole dividend on the particular series of Preferred Shares in any period and in that event, such holders shall be entitled to receive notice of, to attend and to vote at the shareholders' meetings (with one vote for each share held), which voting rights shall cease upon payment by the Corporation of the dividend to which holders are entitled.

Variation of Rights

12. The provisions of the Preferred Shares and any series thereof may be amended or repealed at any time with such approval as may be required by law.

Limitation on Number of Preferred Shares to be Issued

13. Whenever a share of any series of Preferred Shares is to be issued, the aggregate number of Preferred Shares of such series to be issued shall not exceed that number that is equal to: (A) (i) 25% of the Common Share Market Capitalization as of the Measurement Time, minus (ii) the Preferred Share Market Capitalization as of the Measurement Time, all divided by (B) the issuance price per share of the series of Preferred Shares to be issued.

“Common Share Market Capitalization” means the aggregate value of the Corporation's Common Shares and Non-Voting Common Shares issued and outstanding as of the Measurement Time calculated based on the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange (or any successor exchange thereto on which the Common Shares may then be traded) for the five (5) trading days immediately preceding the Measurement Time.

“Preferred Share Market Capitalization” means the aggregate value of all Preferred Shares of all series issued and outstanding as of the Measurement Time calculated based on the issuance price per share of each such Preferred Share.

2. The holders of the Special Shares will be entitled to receive, as and when declared by the board of directors of the Corporation and in priority to any payment of dividends on the Common Shares of the Corporation, the Non-Voting Common Shares of the Corporation, the Arrangement Common Shares of the Corporation, or the Preferred Shares of the Corporation, fixed, preferential, non-cumulative, cash dividends equal to the Redemption Amount multiplied by the Prime Rate as of the Dividend Payment Date, payable per annum on the Dividend Payment Date. The holders of the Special Shares shall not be entitled to any dividend other than or in excess of the non-cumulative cash dividends provided for above. If within three months after the expiration of any fiscal year of the Corporation the board of directors of the Corporation in its discretion shall not have declared the said fixed preferential dividend or any part thereof on the Special Shares for such fiscal year then the rights of the holders of the Special Shares to such dividend or any undeclared part thereof shall be forever extinguished. For any period which is less than a full year with respect to any Special Share which is issued, redeemed or repurchased during such year, dividends shall be deemed to accrue on a daily basis and shall be equal to the product of $A \times B \times C$, where: A = the Redemption Amount; B = the Prime Rate as of the Period End Date; and C = a fraction of which the numerator is the number of days in such period (including the day at the beginning of such period and excluding the day at the end of such period (the **“Period End Date”**)) and of which the denominator is the number of days in such year (including the day at the beginning thereof and excluding the Dividend Payment Date at the end thereof). If, by reason of insolvency provisions of applicable law or for any other reason, on any Dividend Payment Date the dividends declared as of such date are not paid in full on all of the Special Shares then outstanding, such unpaid dividends shall be paid on a subsequent date or dates determined by the board of directors of the Corporation. The board of directors of the Corporation may, in its sole discretion, declare dividends on the Special Shares to the exclusion of any other class of shares of the Corporation.

Liquidation, Dissolution or Winding Up

3. In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Special Shares will be entitled to receive, before any amount shall be paid by the Corporation, or any assets of the Corporation shall be distributed, to the holders of Common Shares of the Corporation, the Non-Voting Common Shares of the Corporation, the Arrangement Common Shares of the Corporation, or the Preferred Shares of the Corporation, an amount equal to the Redemption Amount in respect of each Special Share held by them, respectively, to the extent of the amount or value of the assets of the Corporation available under applicable law for payment to holders of shares of the Corporation upon liquidation, dissolution or winding up of the Corporation. After payment to the holders of the Special Shares of the amount provided above in this paragraph 3 such holders will not be entitled to share in any further distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs.

Redemption by Corporation

4. The Corporation may redeem at any time the whole, or from time to time any part, of the then issued and outstanding Special Shares from the holders thereof on payment (which may, at the discretion of the Corporation, be made through the issuance of a promissory note or promissory notes) of: (a) an amount for each Special Share to be redeemed equal to the aggregate fair market value of all of the issued and outstanding MLF Common Shares as of immediately before the completion of the transactions contemplated by Section 2.03(c) of the Plan of Arrangement multiplied by the Butterfly Proportion and then divided by the number of Special Shares issued pursuant to Section 2.03(c) of the Plan of Arrangement; and (b) all declared and unpaid dividends on such Special Share (collectively, the **“Redemption Amount”**).

Retraction by Holder

5. Subject to applicable law, a holder of Special Shares will be entitled to require the Corporation to redeem, at any time, all or any of the Special Shares held by such holder, by tendering to the Corporation at its registered office a share certificate or certificates representing the Special Shares that the holder wishes to have the Corporation redeem together with a written request specifying the number of Special Shares to be redeemed and the business day (referred to herein as the “**Retraction Date**”) on which the holder wishes to have the Corporation redeem the Special Shares. Following receipt of such share certificate or certificates and written request, the Corporation will, on the Retraction Date (or as soon as practicable thereafter), redeem such Special Shares by paying to the holder the Redemption Amount for each Special Share so redeemed.

Cancellation

6. Any Special Shares that are redeemed by the Corporation as aforesaid will for all purposes be considered to have been redeemed on, and will be cancelled concurrently with, the payment of the Redemption Amount by the Corporation to or for the benefit of the holder thereof.

No Dilution

7. For so long as any Special Shares are outstanding, the Corporation will not: (a) declare or pay any dividend on the common shares of the Corporation or the Arrangement Common Shares of the Corporation; or (b) redeem, purchase for cancellation or otherwise acquire any common shares of the Corporation or Arrangement Common Shares of the Corporation, if, in the opinion of the board of directors, the payment of such dividend or the consideration payable in connection with such redemption, purchase or other acquisition, as the case may be, would reduce the net realizable value of the assets of the Corporation (after taking into account all liabilities of the Corporation) to an amount that is less than the product of the Redemption Amount of each Special Share multiplied by the number of Special Shares outstanding immediately before the time of payment of such dividend or consideration, as the case may be.

Voting Rights

8. Subject to applicable law, holders of Special Shares will not be entitled to receive notice of or to attend any meeting of the shareholders of the Corporation and will not be entitled to vote at any such meeting.

Specified Amount

9. For the purposes of Section 191(4) of the *Income Tax Act* (Canada), the amount specified in respect of the redemption, acquisition or cancellation of each Special Share shall be the amount specified by a director or an officer of the Corporation in a certificate that is made (a) effective concurrently with the issuance of such Special Share; and (b) pursuant to a resolution of the board of directors duly passed and evidenced in writing authorizing the issuance of such Special Share, such amount to be expressed as a dollar amount (and not expressed as a formula) and shall be equal to the fair market value of the consideration for which such Special Share is issued.

8 - MEETINGS OF SHAREHOLDERS

8.1 Annual Meetings - Subject to the Act, the annual meeting of shareholders shall be held on such day and at such time in each year as the board may from time to time determine, for the purpose of considering the financial statements and reports required by the Act to be placed before the annual meeting, electing directors, appointing auditors and for the transaction of such other business as may properly be brought before the meeting.

8.2 Special Meetings - Subject to the Act, the board may at any time call a special meeting of shareholders to be held on such day and at such time as the board may determine for the purposes specified by the board and for the transaction of such other business as may be properly brought before the meeting.

8.3 Notice of Meeting - Notice of the time and place for holding a meeting of shareholders shall be given in the manner provided in Section 11.1 of this by-law not more than 50 days and not fewer than 21 days before the date of the meeting (or within such other time limits as may be prescribed by any other applicable statute or rule or regulation of a stock exchange) to each shareholder entitled to vote at the meeting, to each director and to the auditor of the Corporation.

8.4 Place of Meetings - Subject to the Act, meetings of shareholders shall be held at such place within Canada as the directors shall determine or at any place outside Canada that may be specified in the articles.

8.5 Participation in Meeting by Electronic Means - Subject to the Act, any person entitled to attend a meeting of shareholders may participate in the meeting, by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, if the Corporation makes such a communication facility available. A person participating in a meeting by such means is deemed for the purposes of the Act to be present at the meeting.

8.6 Chairman and Secretary - The chairman of the board or, in the chairman's absence, the vice chairman, if any, or in the vice chairman's absence, the chief executive officer, or in the chief executive officer's absence, the president or in the president's absence, a vice-president shall be chairman of any meeting of shareholders and, if none of the said officers be present within 15 minutes after the time appointed for holding the meeting, the persons present and entitled to vote shall choose a chairman from amongst themselves. The secretary of the Corporation shall act as secretary at any meeting of shareholders or, if the secretary of the Corporation be absent, the chairman of the meeting shall appoint some person, who need not be a shareholder, to act as secretary of the meeting. If desired, one or more scrutineers, who need not be shareholders, may be appointed by the chairman with the consent of the meeting.

8.7 Persons Entitled to be Present - The only persons entitled to be present at a meeting of shareholders shall be those entitled to vote thereat, the directors and auditors of the Corporation and others who, although not entitled to vote, are entitled or required under any provision of the Act or the articles or by-laws to be present at the meeting. Any other person may be admitted only on the invitation of the chairman of the meeting or with the consent of the meeting.

8.8 Quorum - At any meeting of shareholders, a quorum shall be at least two (2) persons present in person or represented by proxy holding or representing by proxy not less than one-third (1/3) of the shares entitled to be voted thereat. A quorum need not be present throughout the meeting provided a quorum is present at the opening of the meeting.

8.9 Proxies and Representatives - A shareholder entitled to vote at a meeting of shareholders may by means of a proxy appoint a proxyholder or one or more alternate proxyholders, who are not required to be shareholders, to attend and act at the meeting in the manner and to the extent authorized by the proxy and with the power conferred by the proxy.

8.10 Time for Deposit of Proxies - The board may specify in a notice calling a meeting of shareholders a time, preceding the time of such meeting by not more than 48 hours, exclusive of non-business days, before which time proxies to be used at such meeting must be deposited. A proxy shall be acted upon only if, prior to the time so

specified, it shall have been deposited with the Corporation or an agent thereof specified in such notice or, if no such time is specified in such notice, it shall have been received by the secretary of the Corporation or by the chairman of the meeting or any adjournment thereof prior to the time of voting.

8.11 Voting - Subject to the Act, every matter at a meeting of shareholders shall be decided by a show of hands unless a ballot is required by the chairman or demanded by any person entitled to vote. Upon a show of hands every person entitled to vote shall have one vote. After a vote by a show of hands has been taken the chairman may still require or any person entitled to vote may still demand a ballot thereon. Whenever a vote by show of hands has been taken, unless a ballot is required or demanded, a declaration by the chairman of the meeting that the vote upon the matter has been carried or carried by a particular majority or not carried, and an entry to that effect in the minutes of the meeting, shall be, in the absence of evidence to the contrary, proof of the fact without proof of the number or proportion of the votes recorded in favour of or against any resolution. Subject to the Act, any vote may be held entirely by means of a telephonic, electronic or other communication facility if the Corporation makes available such a communication facility. Subject to the Act, any person participating in a meeting of shareholders electronically and entitled to vote at the meeting may vote by means of the telephonic, electronic or other communication facility that the Corporation has made available for that purpose.

8.12 Casting Vote - In case of an equality of votes at any meeting of shareholders either upon a show of hands or upon a ballot, the chairman of the meeting shall not be entitled to a second or casting vote.

8.13 Ballots - On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken thereon, the chairman may require, or any shareholder or proxyholder entitled to vote at the meeting may demand, a ballot. A ballot so required or demanded shall be taken in such manner as the chairman shall direct. A requirement or demand for a ballot may be withdrawn at any time prior to the taking of the ballot. If a ballot is taken each person present shall be entitled, in respect of the shares which each person is entitled to vote at the meeting upon the question, to that number of votes provided by the Act or the articles, and the result of the ballot so taken shall be the decision of the shareholders upon the said question.

9 - SHARES

9.1 Securities Records - The Corporation shall maintain a register of shares and other securities in which it records the shares and other securities issued by it in registered form, showing with respect to each class or series of shares and other securities:

- (a) the names, alphabetically arranged, and the latest known address of each person who is or has been a holder;
- (b) the number of shares or other securities held by each holder; and
- (c) the date and particulars of the issue and transfer of each share or other security.

9.2 Transfer Agent and Registrar - The board may appoint, remove or replace a transfer agent or a registrar and one or more branch transfer agents or registrars to maintain a central securities register and branch securities registers.

9.3 Registered Owner of Shares - Subject to the provisions of the Act, the Corporation may treat the registered owner of a share as the person exclusively entitled to vote, to receive notices, to receive any dividend or other payments in respect thereof and otherwise to exercise all the rights and powers of an owner of a share.

9.4 Share Certificates - Unless otherwise ordered by the board, any share certificates shall be signed by any director or officer of the Corporation and need not be under corporate seal. Signatures may be printed or otherwise mechanically reproduced on the share certificates and every such signature shall for all purposes be deemed to be the signature of the officer whose signature it reproduces and shall be binding upon the Corporation. Share certificates representing shares in respect of which a transfer agent has been appointed shall be countersigned manually by or on behalf of such transfer agent. If a share certificate contains a printed or mechanically reproduced signature of a person, the Corporation may issue the share certificate, notwithstanding that the person has ceased to be a director or an officer of the Corporation, and the share certificate is as valid as if the person were a director or an officer at the date of its issue.

10 - DIVIDENDS AND RIGHTS

10.1 Dividends - Subject to the provisions of the Act, the board may from time to time declare dividends payable to the shareholders according to their respective rights and interests in the Corporation. Dividends may be paid in money or property or by issuing fully paid shares of the Corporation.

10.2 Record Date for Dividends - The board may fix in advance a date, preceding the date for the payment of any dividend by not more than 50 days, for the determination of the persons entitled to receive payment of such dividend. Notice of such date shall be given not less than seven business days prior to such date by press release and by written notice to each stock exchange on which the shares of the Corporation are listed for trading.

10.3 Non-receipt of Payment - In the event of non-receipt or loss of any dividend payment by the person to whom it is sent, the Corporation shall issue to such person a replacement payment for a like amount on such terms as to indemnity, reimbursement of expenses and evidence of non-receipt and of title as the board may from time to time prescribe, whether generally or in any particular case.

10.4 Unclaimed Dividends - Any dividend unclaimed after a period of two years from the date on which the same has been declared to be payable shall be forfeited and shall revert to the Corporation.

11 - MISCELLANEOUS

11.1 Method of Giving Notices

- (a) Any notice or other document to be given or sent by the Corporation to a shareholder, director or officer or to the auditor of the Corporation may be given or sent by prepaid mail addressed to, may be delivered personally to, or may be sent by means of fax, e-mail or other form of electronic transmission to, the person to whom it is to be given or sent at his latest address as shown in the records of the Corporation or its transfer agent or in any notice filed in accordance with the provisions of the Act.
- (b) To the extent permitted by law, in addition to the delivery methods set out in (a) above, any notice or other document to be given or sent by the Corporation to a shareholder may be sent by providing or posting the notice or other document on or making it available through a generally accessible electronic source and providing notice of the availability and location of the notice or other document to the shareholder via any of the methods specified in (a) above, including by mail, personal delivery, fax, e-mail or other form of electronic transmission. A notice or other document sent to a shareholder by posting it on or making it available through a generally accessible electronic source shall be deemed to be received on the day such person is sent notice of the availability and location of such notice or other document.

11.2 Waiver of Notice - Any shareholder (or such shareholder's duly appointed proxyholder), director, officer, auditor or member of a committee of the board may at any time waive the sending of any notice, or waive or abridge the time for any notice, required to be given to such person under any provision of the Act, the articles, the by-laws or otherwise and such waiver or abridgement shall cure any default in the giving or in the time of such notice, as the case may be. Any such waiver or abridgement shall be in writing except a waiver of notice of a meeting of shareholders or of the board which may be given in any manner. Attendance of a director at a meeting of directors or of a shareholder or any other person entitled to attend a meeting of shareholders is a waiver of notice of the meeting except where such director, shareholder or other person, as the case may be, attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

11.3 Omissions and Errors - The accidental omission to give notice to any shareholder, director or officer or to the auditor or the non-receipt of any notice or any error in a notice not affecting the substance thereof shall not invalidate any action taken at any meeting called by such notice or otherwise founded thereon. Any notice with respect to any shares registered in more than one name may, if more than one address appears on the books of the Corporation in respect of such joint holding, be given the joint shareholders at any such address.

11.4 Invalidity - The invalidity or unenforceability of any provision of this by-law shall not affect the validity or enforceability of the remaining provisions of this by-law.

The Common Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Dividends

1. The Common Shares and the Non-Voting Common Shares of the Corporation shall participate equally as to dividends. All dividends which the board of directors of the Corporation shall determine to declare and pay, shall be declared and paid in equal amounts per share and at the same time on all Common Shares and Non-Voting Common Shares issued and outstanding without preference or distinction.

Voting Rights

2. The holders of the Common Shares shall be entitled to receive notice of, to attend, and to vote at all meetings of shareholders of the Corporation. At such meetings, the holders of the Common Shares shall be entitled to one vote for each Common Share held.

Parity on Liquidation and Dissolution

3. In the event of a liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, all of the property and assets of the Corporation available for distribution to the holders of the Common Shares and the holders of the Non-Voting Common Shares shall be paid or distributed equally, share for share, to the holders of the Common Shares and the holders of the Non-Voting Common Shares, respectively, without preference or distinction.

Equality of Shares

4. Except as provided for herein, each Common Share and each Non-Voting Common Share shall have the same rights and attributes and be the same in all respects. Upon any consolidation, subdivision, exchange, reclassification or cancellation of the Non-Voting Common Shares, an equivalent consolidation, subdivision, exchange, reclassification or cancellation shall be made to the Common Shares to preserve the equivalence of such classes of shares provided for herein.

B. NON-VOTING COMMON SHARES

The Non-Voting Common Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Dividends

1. The Non-Voting Common Shares and the Common Shares of the Corporation shall participate equally as to dividends. All dividends which the board of directors of the Corporation shall determine to declare and pay, shall be declared and paid in equal amounts per share and at the same time on all Non-Voting Common Shares and Common Shares issued and outstanding without preference or distinction.

Non-Voting Rights

2. Except as required by law, the holders of the Non-Voting Common Shares as a class shall not be entitled as such to vote at any meeting of the shareholders of the Corporation. The holders of the Non-Voting Common Shares shall be entitled to receive notice of and to attend meetings of holders of voting shares of the Corporation except meetings at which only holders of a specified class of shares are entitled to vote. The holders of Non-Voting Common Shares shall not be entitled to vote separately as a class, and shall

not be entitled to dissent, upon a proposal to amend the articles to: (a) increase or decrease any maximum number of authorized Non-Voting Common Shares resulting from a subdivision or consolidation respectively; (b) increase any maximum number of authorized shares of a class or series of a class having rights or privileges equal or superior to the Non-Voting Common Shares; (c) effect an exchange, reclassification or cancellation of the Non-Voting Common Shares; or (d) create a new class or series of a class of shares equal or superior to the Non-Voting Common Shares, unless the holders of Non-Voting Common Shares are being affected by such amendment in a manner differently from the holders of Common Shares.

Parity on Liquidation and Dissolution

3. In the event of a liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, all of the property and assets of the Corporation available for distribution to the holders of the Non-Voting Common Shares and the holders of the Common Shares shall be paid or distributed equally, share for share, to the holders of the Non-Voting Common Shares and the holders of the Common Shares, respectively, without preference or distinction.

Equality of Shares

4. Except as provided for herein, each Non-Voting Common Share and each Common Share shall have the same rights and attributes and be the same in all respects. Upon any consolidation, subdivision, exchange, reclassification or cancellation of the Common Shares, an equivalent consolidation, subdivision, exchange, reclassification or cancellation shall be made to the Non-Voting Common Shares to preserve the equivalence of such classes of shares provided for herein.

Conversion of Non-Voting Common Shares into Common Shares

5. The Non-Voting Common Shares, or any of them, may, upon and subject to the terms and conditions hereinafter set forth, be converted at any time by the holder or holders thereof into fully paid Common Shares of the Corporation as the same shall be constituted at the time of conversion on the basis of one (1) Common Share as presently constituted for one (1) Non-Voting Common Share; provided, however, that in the event of liquidation, dissolution or winding-up of the Corporation, such right of conversion shall cease and expire at noon on the business day next preceding the date of such liquidation, dissolution or winding-up. A holder of Non-Voting Common Shares desiring to convert such shares into Common Shares in accordance with the foregoing shall surrender the certificate or certificates representing the Non-Voting Common Shares to be converted to the registered office of the Corporation, accompanied by a request in writing for such conversion with the holder's signature thereon verified, and any other documentation as the directors of the Corporation may from time to time require, and thereupon there shall be issued to such holder by the Corporation, as fully paid and nonassessable, the number of Common Shares to which the holder is entitled to upon such conversion. Any such conversion of Non-Voting Common Shares into Common Shares shall be deemed to occur on the date such certificate, request in writing and other documentation is delivered to the registered office of the Corporation. The holder shall pay any governmental or other tax imposed on or in respect of such conversion. If only a part of the Non-Voting Common Shares represented by any certificate is to be converted, a new certificate for the balance of the Non-Voting Common Shares held by such shareholder shall be issued by the Corporation.

Automatic Conversion of Non-Voting Common Shares Upon Transfer

6. If, at any time, a holder of Non-Voting Common Shares transfers all or a portion of the Non-Voting Common Shares held by such holder, the shares being transferred shall be automatically converted upon such transfer into fully paid Common Shares of the Corporation on the basis of one Common Share for each Non-Voting Common Share simultaneously upon the completion of such transfer, without any further action by the Corporation or any other person, so that the transferee will be a holder of Common Shares in equal number to the Non-Voting Common Shares transferred by the transferor. Following the transfer, the transferee shall surrender to the registered office of the Corporation the certificate or certificates representing the Non-Voting Common Shares transferred by the transferor, accompanied by written evidence of the transfer, as the directors of the Corporation may from time to time require. Upon such

surrender, a new share certificate representing an equal number of Common Shares shall be issued to the transferee. If only a part of the Non-Voting Common Shares represented by a certificate were transferred, a new share certificate representing the number of Common Shares received by the transferee shall be issued by the Corporation. In addition, the Corporation shall issue to the transferor a new share certificate representing the portion of Non-Voting Common Shares evidenced by the original certificate which were not transferred by the transferor.

C. PREFERRED SHARES

The Preferred Shares shall, as a class, carry and be subject to the rights, privileges, restrictions and conditions hereinafter set forth:

Directors' Authority to Issue in One or More Series

1. The directors of the Corporation may issue the Preferred Shares at any time and from time to time in one or more series.

Terms of Each Series

2. Before the first shares of a particular series are issued, the board of directors of the Corporation shall, subject to the limitation on the number of Preferred Shares to be issued as set forth below, fix the number of shares in such series and shall determine, subject to any limitations set forth in these provisions as more fully set forth below, the designation, rights, privileges, restrictions and conditions attaching to the shares of such series including, without limitation, the rate and amount of any dividends to be declared, the method of calculation of such dividends and whether such rate, amount or method of calculation shall be subject to change or adjustment in the future, the currency or currencies of payment, the date or dates and place or places of payment thereof and the date or dates from which such dividends shall accrue, the terms of redemption, including the redemption price and other terms and conditions of redemption, the rights of retraction (if any) and the prices and other terms and conditions of any rights of retraction and whether any additional rights of retraction may be provided to such holders in the future, the voting rights and the conversion or exchange rights (if any) and any sinking fund, purchase fund or other provisions attaching thereto.

First Shares of Each Series

3. Before the issue of the first shares of a series, the board of directors of the Corporation shall send to the Director (as defined in the *Canada Business Corporations Act*) articles of amendment containing a description of such series including the designations, rights, privileges, restrictions and conditions determined by the directors.

Ranking of Each Series of Preferred Shares

4. No rights, privileges, restrictions or conditions attaching to a series of Preferred Shares shall confer upon a series a priority over any other series of Preferred Shares in respect of redemption, the payment of dividends, the return of capital or the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary. The Preferred Shares of each series shall rank on a parity with the Preferred Shares of every other series with respect to priority in redemption, the payment of dividends, the return of capital and in the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Priority

5. Each series of Preferred Shares shall have priority over the Common Shares, the Non-Voting Common Shares and any other class of shares of the Corporation ranking junior to the Preferred Shares, and each series of Preferred Shares shall rank on parity with every other series of Preferred Shares, in each case with respect to redemption, the payment of dividends, the return of capital and the distribution of assets in the event of the liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

Other Preferences

6. The Preferred Shares of any series may also be given such other preferences, not inconsistent with the provisions hereof, over the Common Shares, the Non-Voting Common Shares and over any other class of shares of the Corporation ranking junior to the Preferred Shares as may be determined by the board of directors of the Corporation.

Dividends

7. The holders of each series of Preferred Shares shall be entitled to receive cumulative dividends as and when declared by the board of directors of the Corporation at a rate per share per annum as determined by the board of directors of the Corporation, acting in good faith, provided, such rate per annum does not exceed by more than 2% the yield to maturity of an unsecured bond with a Comparable Credit Rating issued by a Comparable Issuer on the Determination Date or such other date as close as practicable to such date, such bond having the same or as close as possible term to maturity as is equal to the period until the series of Preferred Shares are first redeemable in whole or in part. Dividends shall be payable at such places, at such times and with such frequency as may be determined by the board of directors of the Corporation. For purposes hereof:

"Comparable Issuer" refers to an issuer selected by the board of directors of the Corporation as being comparable to the Corporation in terms of industry focus and whose outstanding unsecured long-term debt securities have a Comparable Credit Rating.

"Comparable Credit Rating" means a credit rating that is the same or that is the closest as possible to the credit rating of the outstanding long-term debt securities of the Corporation.

"Determination Date" means the date the rights, privileges, restrictions and conditions attaching to the shares of such series of Preferred Shares are determined.

Participation

8. If any cumulative dividends or amounts payable on a return of capital in the event of the liquidation, dissolution or winding up of the Corporation in respect of a series of Preferred Shares are not paid in full, the Preferred Shares of all series shall participate rateably in: (a) the amounts that would be payable on such shares if all such dividends were declared and paid in full; and (b) the amounts that would be payable in respect of the return of capital as if all such amounts were paid in full; provided that if there are insufficient assets to satisfy all such claims, the claims of the holders of the Preferred Shares with respect to repayment of capital shall first be paid and satisfied and any assets remaining shall be applied towards the payment and satisfaction of claims in respect of dividends. After payment to the holders of any series of Preferred Shares of the amount so payable to such holders as herein provided, the holders of such series of Preferred Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation in the event of the liquidation, dissolution or winding up of the Corporation.

Conversion Rights

9. No series of Preferred Shares shall be convertible into any other class of shares of the Corporation.

Redemption

10. Each series of Preferred Shares shall be redeemable by the Corporation on such terms as determined by the board of directors of the Corporation.

Voting Rights

11. Holders of any series of Preferred Shares shall not be entitled to receive notice of, to attend or to vote at any shareholders' meeting of the Corporation except: (a) as provided by law; or (b) upon an event of default by the Corporation where the board of directors of the Corporation has not declared the whole dividend on the particular series of Preferred Shares in any period and in that event, such holders shall be entitled to

receive notice of, to attend and to vote at the shareholders' meetings (with one vote for each share held), which voting rights shall cease upon payment by the Corporation of the dividend to which holders are entitled.

Variation of Rights

12. The provisions of the Preferred Shares and any series thereof may be amended or repealed at any time with such approval as may be required by law.

Limitation on Number of Preferred Shares to be Issued

13. Whenever a share of any series of Preferred Shares is to be issued, the aggregate number of Preferred Shares of such series to be issued shall not exceed that number that is equal to: (A) (i) 25% of the Common Share Market Capitalization as of the Measurement Time, minus (ii) the Preferred Share Market Capitalization as of the Measurement Time, all divided by (B) the issuance price per share of the series of Preferred Shares to be issued.

"Common Share Market Capitalization" means the aggregate value of the Corporation's Common Shares and Non-Voting Common Shares issued and outstanding as of the Measurement Time calculated based on the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange (or any successor exchange thereto on which the Common Shares may then be traded) for the five (5) trading days immediately preceding the Measurement Time.

"Preferred Share Market Capitalization" means the aggregate value of all Preferred Shares of all series issued and outstanding as of the Measurement Time calculated based on the issuance price per share of each such Preferred Share.

"Measurement Time" means 5:00 p.m. (Toronto time) on the date on which the board of directors of the Corporation determines the issuance price per share of the series of Preferred Shares to be issued.
